# Meet Eric & Gaye Ramsey

Eric and Gaye Ramsey are committed to leading God's people to Great Commission living and embracing a life-long adventure of being on mission with Him.

They have a deep passion for communicating the gospel and planting churches among the unreached peoples of the world — both in America and to the ends of the Earth. In addition, their hearts are broken over the declining church health in North America. They believe that the most direct path to renewed church health in North America is the church repenting, choosing to walk in the power of the Holy

Spirit, and embracing the command to make “disciples of all nations,” and be “witnesses in Jerusalem, Judea, Samaria, and to the ends of the Earth.”

Eric, a preaching evangelist, author, and cross-cultural communications and missions strategist; and Gaye, a singer and conference speaker enjoy being a “team.” Together they inspire, educate, and mobilize Christians to join God in His kingdom's work; reaching from next door to the ends of the earth.

Eric and Gaye have two children; Andrew, 15, and Alisha, 12 who are heavily involved in ministry as well. The Ramsey family spends most of the year traveling together.
